Take the leap into the future, with IPv6

Get Certified Now!

Effective 10 July 2020, all IPv6-capable and directly connected equipment to the service provider are required to be certified, as mandated in the Technical Code **MCM MTSFB TC 013:2019 Internet Protocol Version 6 (IPv6) Equipment Compliance** by Malaysian Communications and Multimedia Commission (MCMC).

This directive is applicable to:

Terminal/Hosts   Network Elements   Network Security Elements

3 Steps of Certification Process

1. Certification – Certificate of Conformity (COC) Issuance.
2. Labelling – SLP & IMEI / Serial No. Registration
3. Importation – Certificate of Approval (COA)

Making the transition with SIRIM QAS

As the certifying agency appointed by MCMC for IPv6 Product Compliance Certification, SIRIM QAS is ready to assist you in making the transition into the future.

How will this certification benefit your business?
1. Gain greater access to international markets
2. Provide assurance of compliance with regulatory requirements
3. Ensure interoperability of your products within the IPv6 ecosystem
4. Establish your brand at forefront of the Malaysian digital revolution

Make The Move Into The Future with SIRIM QAS. Get certified now.
