

Malaysia's Leading Testing, Inspection and Certification Body

Minimum Energy Performance Standard (MEPS)

SIRIM QAS International Testing & Certification for STAR Rating

If you are a manufacturer or industry related to electrical products and equipment, you would have heard of the Energy Efficiency Labelling Programme. Under this initiative, each product is rated according to its compliance with energy efficiency standards. As the testing house appointed by the Suruhanjaya Tenaga (ST), SIRIM QAS is here to help.

Benefit

Provide independent assurance of compliance to energy efficiency standards.

Gain consumer confidence in the reliability and safety of products.

Improve efficiency in the production process for manufacturers.

Ease access to global markets with stringent energy efficiency requirements.
