Comprehensive Fire Safety Solutions for *The Southeast Asia Region*

Ensuring compliance with relevant fire safety standards is absolutely vital to protect your business

SIRIM QAS is the leading fire testing hub in Southeast Asia with over 20 years of experience in the field. We have the facilities to perform large-scale testing to meet the region's growing demand for fire safety.

This includes performance testing of external cladding systems – the first ever in the region!

SIRIM QAS is cooperating with local and international bodies including the Fire and Rescue Department of Malaysia (BOMBA) as we expand our services to a global clientele.

What are you waiting for? Enhance consumer confidence in your products and access wider markets with SIRIM QAS today.
