COVID-19 PANDEMIC**

The matter above is referred.

2. As you are aware, Standards Malaysia has disseminated through email on 17 March 2020 on the IAF's actions related to COVID-19, which included International Accreditation Forum's (IAF) Frequently Asked Questions COVID-19 Outbreak: <https://iaffaqa.com/>.

3. Based on the IAF FAQ (Q15 and Q20), Standards Malaysia would like to formally inform that the migration and transition arrangements for the following standards have been extended for 6 months as follow:

Certification Standard	Original Migration/Transition Date	New Transition Date
MS ISO 45001:2018	12 March 2021	30 September 2021
ISO 50001:2018	31 August 2021	28 February 2022
ISO 22000:2018	29 June 2021	29 December 2021

4. Please take note that these changes do not defer the other requirements stipulated in the Transition Circulars issued by Standards Malaysia earlier (ACB Circular 2/2018, ACB Circular 5/2018 AMD.1 & ACB Circular 3/2019)

5. Should your CAB have any further enquiries, please do not hesitate to contact your Accreditation Officer in charge.

Thank you.  
Yours sincerely,
