Dear Sir/Madam,

**INVITATION TO COMMENT ON MSPO MS 2530 INITIAL CERTIFICATION AUDIT OF FGV HOLDINGS PLANTATION SDN BHD - JERANGAU BARAT COMPLEX**

FGV Holdings Plantation Sdn Bhd has commissioned SIRIM QAS International Sdn. Bhd. for the audit and certification of its Management Unit against Malaysian Sustainable Palm Oil (MSPO), MS 2530:2013.

MSPO MS 2530:2013 is a Malaysian Standard that enable the oil palm growers and millers to enhance the sustainability aspect of palm oil production. With the MSPO certification, the players will be able to make claims that their products are produced sustainably. The sustainable aspects covered in the Malaysian Standard MS 2530:2013 comprise of the following:

- Management Commitment & Responsibility
- Transparency
- Compliance to legal requirements
- Social responsibility, health, safety & employment condition
- Environment, natural resources, biodiversity & ecosystem services
- Agriculture best practice
- Development of new planting

The MSPO Initial Certification Audit will be conducted as follow:

- |                                            |                                                                                                                                                              |
|--------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1. Name of Management Unit                 | : <b>FGV Holdings Plantation Sdn Bhd - Jerangau Barat Complex</b>                                                                                            |
| 2. Audit commencing date                   | : <u>27 June 2022</u>                                                                                                                                        |
| 3. Audit end date                          | : <u>29 June 2022</u>                                                                                                                                        |
| 4. Location of audit                       | : <u>21820 Ajil, Terengganu Darul Iman, Malaysia.</u>                                                                                                        |
| 5. Total area of oil palm to be audited    | : <u>2,047.54 ha</u>                                                                                                                                         |
| 6. Standard(s) used                        | : MS 2530-3:2013<br>The above standards can be purchased through <a href="http://www.msonline.gov.my/catalog.php">http://www.msonline.gov.my/catalog.php</a> |
| 7. Audit team member and area of expertise | : 1) Ahmad Kamal Shahabuddin<br>2) Borhan Bin Abd Aziz                                                                                                       |

In relation to the above, we would like to invite you to provide us feedback on any of the above issues by returning the attached reply form **before 27 June 2022**. If necessary, the audit team will arrange a meeting or telephone discussion during or before the on-site audit for further details. Please be assured that the source of any information provided will be treated as confidential and any disclosure of the information provided shall be carried out with prior consent from your side.

In case that you have any complaints regarding the audit or appeals or dispute against the decision of the audit team we have the processes and procedures which are available at our website [www.sirim-qas.com.my](http://www.sirim-qas.com.my).

Thank you for your kind attention and looking forward to your reply.

Yours sincerely,
